

# iRock Menu

Volume 2

Below is a list of **OPTIONAL** activities that you can do if you are looking for some fun ways to incorporate STEM, technology, and literacy at home! Have fun! Let me know if you have any questions!

Mrs. Rojas, STEM Coordinator, [rojas\\_jenny@svvsd.org](mailto:rojas_jenny@svvsd.org).

## Science Experiment: Magic Milk

Did you ever think milk could be magic? With a few simple items from around your house you can make milk do amazing things. Click [here](#) to learn how!

## Indoor Scavenger Hunt

Last week we searched for things in nature, so this week let's see what you can find inside your home!

Click [here](#) and begin searching!

## Coding with Tynker

Try coding with Tynker!

Click this [link](#) to get started

## Virtual Field Trip: The Farm

Have you ever wondered what happens on a farm? Click [here](#) to visit an apple orchard, a cow farm, and other interesting places.

## What to Watch: Wild Kratts

Learn about predators and prey! Watch this [video](#), called "Bad Hair Day" to learn more about it!

## Marshmallow Challenge

Build the tallest tower you can using the marshmallows and spaghetti noodles.

Click [here](#) for directions!
