Our school took third place for the Summer myOn Challenge! That means we received a check for $1000 to spend on books for our school library! Our top 4 readers read almost 15,000 minutes combined during the Summer Challenge. Each of the 4 students read more than 2,000 minutes with the top reader reading 5,777 minutes. WOW!

A big thank you to every student at Rocky that read on myOn and helped us to place third in the challenge. Every minute of reading counts!

Our next challenge will be during Thanksgiving break in November so get ready by practicing myOn reading when you are at home. If we get 1st, 2nd or 3rd place the money goes to fund new books for our library. Mr. Garcia gets a new look if we can get 1st or 2nd place. So let’s give him a makeover!
